Brand-new Primary School Opening in Nuneaton in September 2026

Welcome to this month's newsletter!

We hope January has been kind to you. It has been all system's go at the Watling Meadows site. The contractors have been working hard and you can now see some of the framework is up. You can get a real sense of the scale of the building now and everyone is super excited. The builders have said the complete frame should take around 6 weeks to complete.

As you know I started on 1<sup>st</sup> January and have been made to feel very welcome by everyone in the Trust. Although there is much to do, we are making progress and ticking off those lists one by one.

We have been on site regularly to meet with the contracting team and will continue to do so over the coming months.

If you have any questions or require further information, please get in touch (contact details on the last page).

Best wishes

Mr Barrow

## Governing Body

We are pleased to announce we have recruited our first cohort of Community Governors. The Local Governing Board will consist of 5 Community Governors, 2 Parent Governors and 1 staff member plus the Head Teacher. New Governor Profiles will be coming soon on our website and the next newsletter.

## It's not too late.....

Missed the deadline for Reception admissions for September 2026? Don't worry, please talk to us. Send your contact details to [hello@watlingmeadows.co.uk](mailto:hello@watlingmeadows.co.uk) and we will contact you to discuss next steps.

A promotional banner for the school's new website. It features a yellow school bus with children inside, driving on a road. The school logo is in the top left corner. The text "NEW WEBSITE" is written in large, white, block letters with a blue outline. Below it, the website address "WWW.WATLINGMEADOWS.CO.UK" is written in black on a white banner that looks like a piece of paper pinned to the background. There are also colorful paper clips and a red pushpin on the banner.

January 2026 - Exciting Progress
